Dear Sir/Madam:

**Response to the Office Action of September 15, 2009**

This amendment is in reply to the office action mailed on September 15, 2009. Applicant also submits a two month petition for extension of time to file this response with the appropriate fee.

***Specification***

In the office action, the examiner suggested that the Abstract of the Invention be amended to include the chemical structure depicting the inventive concept.

In response, the Abstract has been amended as follows:

Cannabinoid derivatives are known for their function in the central as well as peripheral nervous system. Disclosed are some novel (+)-cannabidiol (CBD) derivatives of the general formula (I)
